**Intermittent lane closures in Līhu'e set for next week**

LĪHU'E – The public is advised that there will be intermittent lane closures in Līhu'e next week to allow the county's geotechnical contractor to do exploratory soil borings in the area.

The testing will be done on Rice Street on Sept. 19 and Sept. 20 and then move on to other Līhu'e streets for the remainder of the week including Ho'ala/Kalēna, Ho'olako, Umi, and Pua'ole/Malae.

Work hours are 8 a.m. to 3:30 p.m.

While the work is underway, motorists should use caution and allow extra time to get to their destinations.

Anyone with questions can call Rick Yoshida, Hirata & Associates, Inc. at (808) 728-9312 or Wynne Ushigome, Department of Public Works, Engineering at 241-4890.
